How do I choose *the right instrument* for my child?

**WE'RE HERE TO HELP YOU!**

## Standard Rental

*Is your child curious about playing a stringed instrument?*

Our standard instrument rentals are designed for those who want to make sure their student has everything he or she needs to be successful but also want to minimize their initial financial commitment.

## Deluxe Rental

*Is your child excited to start learning an instrument?  
Does he or she show musical ability?*

Our deluxe rental provides your child with the best start to this new endeavor. Better materials and workmanship give these instruments a stronger and clearer sound for the motivated player.

## Advanced Rental

*Every parent hopes that their child will excel as an orchestra student.*

Our Advanced Rentals offer unmatched quality for those who want the best rental instrument for their child. These instruments are handmade with the finest materials and workmanship.

# The Lisle Violin Shop Story

In 1984, Mark and Margaret Lisle started Lisle Violin Shop in Pasadena, Texas in their garage. Their mission was to have a place where students, musicians, and music teachers could come for reasonably priced repairs, rentals, and instruments. Soon after the shop moved to 4510 Burke Road in Pasadena serving the Southeast Houston area and later East Texas. In 1994, Lisle Violin Shop opened a second location in Rice Village which later was moved and expanded to become our Bissonnet Street location in 2001. In 2004, our service area was expanded to include Central Texas. Lisle Violin Shop opened its third location in Katy, Texas in 2012 and in 2017, opened a fourth location in Northwest Houston on Louetta Road to better service customers in this rapidly expanding area of Houston.

## Our Mission Since 1984

Lisle Violin Shop, now under the direction of Mark and Margaret's son, Matt Lisle, continues to pursue our primary mission today. We believe in the power of music education to transform student's lives and we want to make that possible for every student by providing affordable, quality rental instruments.
